6 yr. old Bay Mare

Bareback Left Hand Delivery

Look at this mare, she will be a great addition to your string of horses. The riders love to draw this horse. We have been bucking her for 4 years, she scores from mid to high 80's every time. Somebody needs to go on with her, she loves

her job. We don't get many bareback riders where we are located. This mare is out of Party Time, a Tooke stud & a Buffington mare 911.
