Broodmare

Big flashy overo mare that bucks.

Maternal sister to 406 Big Sky of J-J (NFR) and by Straight Jacket. Wanted to bring some mares down that would attract some interest, so I went with some Straight Jacket and Michigan daughters. They are NFR top and bottom and have been gone through as young horses. About 4 geldings from this crop are 20+ pointers in the PRCA. Exposed to 218.

U-39 Lunatic Street

Owner: Jarrett Jackson
 12 yr. old Bay Stud

U-39 Lunatic Street is a 12 year old stud by Lunatic
 Fringe and out of 709 Easy Street of Cervi's. Both sides of
 this stud went to the NFR as many times as one can. U39
 was hauled before I got him and always marked well,
 have a few of the videos of him here

<https://www.youtube.com/watch?v=opAphKg8aNY>

Have also added videos of his colts, they are very good so far and I am going with a few
 of his stud colts to replace him. I only run about 10 mares a year between a couple studs
 so this video includes all his colts except about 3 that are more common.

He did go after a colt a few years ago and since then I have been running him with a
 grazing muzzle and have had zero problems.

Apache Cowboy

Owner: Jarrett Jackson

7 yr. old Gelding

Bareback

Apache Cowboy is a Pureblood bareback horse that I haven't been able to bring along as quickly as I would of liked due to limited riggins in the practice pen. Really stays close and gets up in the front. Video Link below:

No Name No

Owner: Jarrett Jackson

2 yr. old Gelding

Dummy colt out of Michigan Roan who is consigned to sale as a broodmare. This will be a double bred Michigan Monster.

Sangria Special

Owner: Jarrett Jackson

4 yr. old brown mare

Here is a 4 year old mare that has some trips on her and is showing great. She is a full sister to Special Effects, who is also in this sale. They are by Michigan Monster (Night Jacket x Special) and out of my best old brown mare Sangria. About every one of Sangrias colts buck, she is an NFR producer with 405 Midnight Kid along with several other very good horses going down the road.

Video is from a few weeks ago in Cody (<https://youtu.be/hSWzWOInb4A>).

Special Effects

Owner: Jarrett Jackson

5 yr. old brown mare.

Video: <https://youtu.be/4PDQCI97uhM>

5 year old mare that flat bucks. Full sister to Sangria Special, Michigan Monster over Sangria (Grated Coconut). She has been great from the get go, bucked the right way with a dummy with lots of front end and has been bucky with a rider. She was exposed to a stud this spring and will be selling with the agreement that the colt returns to me after weaning.

Straight Guitar

Owner: Jarrett Jackson

4 yr. old chestnut mare. Another 4 year old mare that looks like she has the goods. She is out of a very strong Night Hawk mare – <https://youtube.com/shorts/yQHjkhHxFFM?si=NA9iVRhTFMxQ06> and by 777 Guitar Town (Straight Jacket) of Dakotas, who we ran with a few mares as a young colt before gelding. They were just 89 and 88 on Guitar Town and he's carrying a 42 average so far this year. This mare is double bred Night Jacket and Calgary top and bottom and out of 2 legit bucking horses. Here is her recent video from Cody:
