B11

Rafter FF / Bill Fessler

5 yr old Bay Gelding
Saddle Bronc / Right Hand Delivery

B11 was born May 4, 2014. He is a full brother to C5's Oney. He has been a bit slower to mature but this big gelding spent the summer on the amateur circuit in Alberta with John Duffy. John is more than happy to tell you all about him. He stands well in the chute and takes those who stand his power to the pay window. He is big and strong and sets up right in front of the chute.

C5

4 yr old Black Gelding
/ Right Hand Delivery

C5 is out of Sly and Country Dreams. He started out small with a bad attitude. He has grown up but still has the bad attitude, which translates to bucking, and bucking hard. We have bucked him at the Rimbey practices since he was three. He was our go to horse for special events. He has had the summer off – so he's ready to go rodeo.

This mare has always had size on her side, she is the daughter of 737. We have been bucking her both in the BB & SB since she was 2. She is easy to use, and consistently bucks off to the left, just like her dad. Her breeding both impressive and very limited. Video: https://youtu.be/XH_k2F5K54k

Brother Baldy breeding & our stud Sly makes this mare a great brood mare prospect. We have only bucked her a few times last winter. She wanted to buck, but needed to grow up. Turned her out on grass and she has certainly grown up!
